## BREAKDANCING WITH KID GLYDE

**Saturdays 8:45am-9:30am \* ages 4.5 years & up \* all levels**

Join Bboy Kid Glyde for a fun, athletic dance class focusing on top rock, footwork, power moves and freezes! We are a part of the Kids Breaking League so our students will participate in local events and our students will attend competitions in the Tri-State area as a part of the Chilltown Breakers team lead by Kid Glyde and the Dynamic Rockers.

## ballet with tiffany wiesend

**little ballerinas & ballerinos \* 2.5 & 3 years**

**Fridays 4:30-5:15pm**

**Tuesdays 5:15-6pm**

This adorable class is designed for children who want to dance but are not quite old enough to join a ballet class. We use games, stories, and songs to teach balance, rhythm, movement, coordination, and basic ballet steps and terminology.

**princess & prince ballet \* 4s & Kindergarten**

**Fridays 3:30-4:15pm**

This class bridges your dancer's transition into a more structured class environment. Your child will continue to learn the fundamentals of classical ballet, focusing on proper body alignment, basic ballet technique and terminology, and musicality. Dancers will build on technique throughout the year by learning positions, barre work, floor work, choreography and vocabulary. Ms. Tiffany will reinforce creativity, discipline and team participation – all things that modern day princesses and princes need!
